Re: *Burke v. Wright National Flood Insurance Company*
Case 2:14-cv-00404-LDW-GRB
Local Counsel's Application to Withdraw as Counsel

Dear Judge Brown:

We have been local counsel for defendant Wright National Flood Insurance Company ("Wright"). Notices of Appearance as counsel for Wright were entered in this case on March 18, 2015 by Thomas Cahill, Esq. and James Rittinger, Esq. of the New York office of Satterlee Stephens Burke & Burke LLP. Wright has now instructed us to withdraw as counsel from this case.

Accordingly we respectfully request that Your Honor relieve McMahon, Martine & Gallagher, LLP as counsel from this case, and direct the appropriate Court Clerk to remove us from the docket and ECF notifications for this action. Satterlee Stephens Burke & Burke LLP will continue as counsel for Wright.

Respectfully yours,

/s/ Patrick W. Brophy
